

CITY KIDZ THANKS THE COMMUNITY,

"WE COULDN'T HAVE DONE IT WITHOUT YOU HAMILTON"

THANK YOU

City Kidz would like to thank every family, church, business and individual who contributed gifts, time and financial support. Over 3,000 children received the Gift of Christmas this year, because of YOU!

Many of Hamilton's children were in need this Christmas season and the community generously stepped up to the plate. We have received over 6,500 gifts, an overwhelming response that has assisted us in exceeding our goals this year!

Thank you Hamilton. Every gift matters and every gift will find a home with our children. With an abundance of toy donations, we will be able to celebrate every one of our children's birthdays - the most important day of their year. In addition, because of your generosity, City Kidz was able to provide gifts for 10 other community agencies: Hamilton Police Service, West Hamilton Wrap Around, Hamilton Sexual Assault Center, Kwanis Boys and Girls Club of Hamilton, Rose City Kids, The Hamilton Dream Center, Mission Services, Salvation Army, Burlington Presbyterian Church and CATCH, as well as 19 other local families in urgent need.

City Kidz is a Hamilton based and community supported organization. We love our city. Thank you Hamilton for loving our kids!!
