Dear Parent / Guardian / Caregiver,

CityKidz continues to monitor and address new developments regarding the Coronavirus (COVID-19) pandemic. In all that we do going forward, the health, safety and well-being of your children is our top priority.

Based on the advice of the Ministry of Health, we have made the difficult decision to cancel all Saturday and Wednesday programs until April 18th.

This includes our CityKidz, CityYouth programs.

The safety of your children and our community is our greatest concern. Temporarily closing our programs is the most responsible and effective approach to help reduce the spread of this disease. At this time, we will continue home visits but are prepared to pause this program if it becomes a risk factor.

We will continue to monitor new developments and take direction from the Ministry of Health. For more information about the Coronavirus, please visit, www.ottawapublichealth.ca

We look forward to our first Saturday program on April 18th or as soon it is safe to do so. In the meantime, we are working on a plan for different ways to deliver our programs to your children.

Please visit our website (citykidz.ca) or visit us on Facebook, for updates about our programs. If you have any questions or concerns, please contact Wendy Turpin, Executive Director: wendy@citykidz.ca / 613-796-3063.

Once again, we are so grateful to have the opportunity to continue to be part of you and your children's story.

Sincerely,

Rev. Wendy Turpin
