

city kidz Regina

Some things need to be seen in person to know the impact, CityKidz is one of those things. We enjoy inviting our family, friends, supporters, investors and new volunteers to share a day at CityKidz with us and see how we are impacting our next generation of leaders.

By watching the excitement from the children, you are able to get a firsthand look on how your donation is being invested.

Unfortunately, due to COVID, we are currently not holding our large group gathering on Saturday nor are we able to invite you to join us on our Fun Squad Visits due to restrictions on the size of group gatherings.

So, we decided to do the next best thing. We are still inviting you to join us for a tour of what our new Fun Squad visits are all about. Rather than spending the full afternoon with us, we are asking that you take 4 minutes of your day to sit back, relax and enjoy some fun along with the children. We hope this video will inspire you as much as we are inspired each week. It is such a blessing to be able to hear the laughs and squeals of excited children having fun and just being children. One of the other special blessings we see with taking CityKidz out on the road is we also get to hear from the parents and how excited they are for their children to be involved with a program such as CityKidz.

After watching the video if you wish to become more involved with building our next generation of leaders, we would sure love to hear from you. Want some ideas on how you can be involved, here are a few, but contact Donna and she will discuss more with you.

1. Become a Volunteer
 - a. We are believing and hoping that by September 2020, we will begin to see restrictions lifted on indoor gatherings and as such will be able to open the CityKidz Playhouse Theatre in October to a group of excited children wanting to come and have fun. We need to ensure the safety of every child within our program
 - b. Once we are back in the Playhouse Theatre and further restrictions lifted we will go back to making most of our lunches and will need some assistance in the kitchen
 - c. We are currently looking for a few new members to join our Home Visit Teams
2. Become an investor with CityKidz
 - a. For a monthly donation of \$35.00 you can help one child attend CityKidz weekly
 - b. A one-time donation of any amount goes a long way in impacting a child
 - c. Corporate Sponsorships are a great investment into the future
3. Sign up for a quarterly newsletters and stay up to date on all that is happening around CityKidz, including our annual fundraising events
4. Reach out to hold a third party event for CityKidz. We will assist in planning the event.

Blessings to everyone that is assisting CityKidz to reach their **BIG DREAM**....putting an end to child poverty....one child at a time.
